Engineering For a Sustainable Future.

Why Choose Us?

At Vel Tech Engineering, we believe that success is built on trust, technology, and teamwork. Our mission is to deliver engineering excellence that drives progress and adds value to every partnership.

Our Strength

- Skilled Expertise
- Advanced Infrastructure
- Quality Assurance
- Customized Solutions
- Customer-Centric Approach
- On-Time Delivery

INTRODUCTION

VEL TECH

Engineering FZ - LLC

Vel Tech Engineering is a trusted name in the field of metal fabrication and engineering solutions. With a strong commitment to innovation, precision, and quality, we specialize in providing customized fabrication, machining, and structural engineering services for a wide range of industries, including construction, oil & gas, manufacturing, and infrastructure.

Since our inception, we have built a reputation for delivering high-quality, reliable, and cost-effective solutions that meet the unique requirements of every client. Our modern facilities, skilled workforce, and strict quality standards ensure excellence in every project – from design and prototyping to full-scale production and installation.

We believe that success is built on trust, technology, and teamwork. Our mission is to deliver engineering excellence that drives progress and adds value to every partnership.

“Innovating the Future of Engineering”

With the availability of Wide variety of machinery and tooling, our factory is well equipped to meet the demands of fabricators. Metal Solution Industries provides quality Sheet Metal Processing services as per the requirement of the customer. Highlight of machineries and services are listed below.

OUR SERVICES

Sheet Metal Fabrication
Punching and Laser Cutting
Pipe Rolling & Bending
Sheet Rolling & Bending
All Types SS & MS Fabrication
Furniture Metals
V Grooving
Powder Coating
Electro Plating
